

STYLE: ALUMINA BARS

Milan –

Host to both Milan Fashion week and the Milan Furniture Fair, Milan has always been at the forefront in contemporary design. It's only fitting that one of the world's oldest shopping malls, The Galleria Vittorio Emanuele II is located here. The interior walls and floors are covered in mosaics with an impressive central coat of arms portraying the four capitals of the kingdom of Italy.

Milan has the classic modern style associated with the vibrant city for which it was named — Style: CHAMPAGNE MIX
